'Friendlyway has chosen CEB for its more than 25 years of experience in providing the Middle East and African markets with information technology solutions and services. With over 140 professionals, CEB has the resources and expertise to successfully implement and integrate our technology for various markets and sectors.' Said Mr. Thomas Borck, International Sales Manager, Friendlyway.

Mr. Thomas added, 'CEB is the exclusive provider of Friendlyway enterprise kiosk solutions for the African and Asian markets. We are privileged to work with CEB as our partner for such a region'

'Friendlyway is the world leader in kiosk technologies and systems. Our partnership reflect CEB's direction to introduce state-of-the-art technologies to our product portfolio to cater for various industries and sectors through consumer and service centric solutions.' Said Mr. Ayman Arafeh, General Manager of CEB.

Mr. Arafeh added, 'The Kiosk applications are one of the fastest growing technologies providing consumers and businesses the facilities to save time and money to deploy such applications and systems through various public and commercial venues for information access and transactions.'

About Friendlyway (www.friendlyway.com)

Friendlyway is specialized in developing and marketing standard software and system solutions for digital advertising displays and interactive kiosk systems. The thus developed solutions have been marketed since the 1990s with thousands of installations in Europe, the Americans, and Asia.

Mr. Thomas Borck, International Sales Manager, Friendlyway and Mr. Ayman Arafeh, General Manager of CEB.
